No. 944-49 dated 14th June/79
R. 170

By 10/6

Letter from the
Offg. Commissioner
Nandydroog Division
No. 414 of the 18th April 79,
proposing rules to regu-
-late the issue of
a quart bottle of
arrack at a time to
respectable persons
who do not like to
consume it in the
shops.

Order thereon.

The Rules proposed
require that passes
should be granted
for such issues to be
in force for one month;
but they do not state
by whom the passes
are to be granted. The

The necessity of ap-
-plying to any public
authority for such
passes and of getting
them renewed from
month to month,
would, the Chief-
Commissioner appre-
hends, ~~be~~ defeat the
object of the concession
intended. The effect
of these restrictions is
to drive the middling
classes of natives who
are accustomed to
stimulating drinks
to resort to brandy
instead of arrack,
which is not desirable
in a revenue point
of view as well as
on other considerations.
And as no such
restrictions appear

(4)

to exist in Madras
and as the sale of
a quart bottle of
arrack which was
permitted in the
Kandydroog Division
in last year ~~document~~
does not appear to have
been attended with
injurious results, the
Chief Commissioner
considers it unne-
-cessary to place any
undue restriction on
the concession especia-
-ly as the licensed
vendors are now distinct
from the distillers

It will be sufficient
to provide the licensed
vendors with numbered
passes in duplicate,
which they may be
required to issue on
each sale, entering the
name of the purchaser

in it and sending
the counterfoil or
duplicate copy to the
Amildar or to the Sub
Amildar periodically.
It is of course to be
understood that no
more than ~~one~~ a grant
bottle is to be sold
to the same person
in a day -
